# English On Sea

**Margate** is a lovely seaside town with sandy beaches situated in Kent, on the south-east coast of England. It is a small friendly town with one of the driest and warmest climates in Britain. Margate is 100 km from London and within easy access of the port of Dover. The historic cathedral city of Canterbury and the medieval town of Sandwich are also all within easy reach. From the school there is a lovely walk around the coast to the pretty fishing village of Broadstairs and the larger seaside town of Ramsgate, with its colourful Royal Harbour.

## 1 Lessons

Lessons take place in a lovely building close to Margate old town centre and sandy beach. Key features include team-building, assignments and presentations. There will be plenty of interaction in a relaxed and friendly environment. Our experienced teachers will ensure students are fully involved in the lessons, helping them gain in confidence whilst improving their fluency.

## 2 Activities

The varied and exciting programme includes visits to local historic places of interest, museums, coastal walks, karaoke and movie nights. There will be one full day trip each week, which could be to London, Cambridge, Oxford or Brighton, for example. We also organise two half day trips each week and supervised activities daily such as:

- Explore the beautiful Isle of Thanet: Margate, Broadstairs, Ramsgate
- Visit the historic city of Canterbury
- See Deal Castle
- Beach Games
- Visit Whitstable and Sandwich

## 3 Accommodation

Students stay on a full-board basis with a local host family with the possibility to have a hot lunch on week days in a local restaurant near the centre. Twin rooms are available for students who would like to share. There is the possibility to have a private bathroom.
